*Mission: It's Possible* is a ministry designed to serve our community in a practical way with the love of Christ. This group is seeking people with needs in areas of carpentry, painting, plumbing, & electrical. If you are in need of these services, you can find a form in the Welcome Center at the Church or online at [www.mcogonline.com](http://www.mcogonline.com). We will give you a call and set up a time to meet with you.

Through word of mouth and prayer, God will bring to our attention needs of the community outside the church family.

It is the goal of *Mission: It's Possible* that many will experience the love of Christ and joy there is in serving the community through serving the Lord Jesus Christ.

We are so excited about this ministry. It is such a blessing to be able to serve our brothers and sisters in Christ, and to serve our community.

If anyone in our church family has a need, please get a form and fill it out and leave it at the church office.

Anyone interested in joining our team see Karen Darrell or Ron Robinson.
